

Extension Risers

In order to simplify assembly, it is recommended to use a telescopic extension. Due to the movable structure of the extension, the height of the cover position in relation to the ground can be easily adjusted.

Basic parameters

OD/0001

OD/0002

OD/0003

OD/0157

Index	Article
OD/0001	Extension riser 315
OD/0002	Extension riser 400
OD/0003	Extension riser 600/320
OD/0157	Extension riser 600/540
